

CITY OF SAINT PAUL

Christopher B. Coleman, Mayor

Administration Division 1500 City Hall Annex 25 W. Fourth Street Saint Paul, MN 55102 Facsimile 651-266-6222

September 21, 2011

Dear Interested Jefferson Avenue Bikeway Resident

It has come to my attention that there was an error in the mailing that went out the week of September 12 advertising a September 27 meeting regarding the Jefferson Avenue Bikeway project. The nature of this error resulted in a number of residents not receiving a mailed notice. While this error was not deliberate, and we use multiple methods of announcing the meeting, Saint Paul Public Works is taking the opportunity to be very deliberate about our response.

Because the City of Saint Paul and Saint Paul Public Works promised a robust and transparent public engagement, we have decided to hold a second public meeting, identical in nature to the September 27 meeting, to ensure that all who would like to attend have opportunity and ample notice to do so. This identical meeting will take place on October 25 at the Nativity Auditorium (details on the other side of this letter). At both of these meetings, the City Engineer will provide a project history and status update and open the floor for questions and comments about the remaining process. We look forward to seeing you at one of these two meetings.

Sincerely,

Rich Lallier Director of Public Works
